Dear Parent/Guardian,

As you may know, the music students at your school have been engaged in mastering important music theory concepts using our online auto assessed Breezin' Thru Theory program.

We have had such great response to our Next Generation of learning music theory and we want to share the news with others. The best way for us to do that is to use authentic photographs of students who express their enthusiasm using Breezin' Thru Theory 'Next Gen'. So, we're running a contest to find those magical pictures with the positive energy that helps us, to help others in the quest to change how music theory is taught.

Should your child's picture be up for consideration, you will need to provide us with your consent to use it in our marketing plans for 2017/18 and possibly beyond. We may use such pictures to advertise in school magazines such as 'School Band & Orchestra', to post pictures on our website at <http://breezinthrutheory.com/>, to send out email campaigns to music educators in the US & Canada, and to post on social media such as Facebook.

In addition to the excitement and pride your child will experience, we'd like to offer them a unique token of our appreciation. We'd like to create a special one-of-a-kind gift, and since it's Breezin' Thru, it's going to be fun! We would commission a custom made "Bobble head" of them, for them.

If you agree to this request, please complete and sign the Authorization and Release Form on page 2 and send it to your child's music director. If you have any questions, you can contact me directly at jmcken@breezinthrutheory.com or call 855-265-3805 (toll free).

Sincerely,

Jean McKen
